

ABOUT THE STATE

Happenings of Interest from Different Sections

Rev. E. T. Sanford, pastor of the St. Johnsbury Baptist church from 1876 to 1891, died Oct. 8 in Ontario, Cal., of hardening of the arteries.

Charles Barnes of Brookline was fined in Brattleboro municipal court on Wednesday \$100 and costs for illegally possessing a deer hide, and \$20 and costs for similar possession of three skunk skins.

Charles A. Parker, for 16 years postmaster of West Rutland, for two successive terms representative from the town at the legislature and for many years one of the towns' leading merchants, died Wednesday after an illness of several weeks.

Charles Fleury of Burlington is in a hospital in that city with serious injuries sustained when he fell 30 feet from an apple tree in R. N. Holmes' orchard in Charlotte a few days ago. He was being employed by Mr. Holmes during the apple picking season.

At a conference of Methodist clergymen and laymen in Rutland this week, a recommendation was voted to present to the Methodist general board of home missions and church extensions a request for \$25,000 to aid in erecting a new church in Rutland.

Leon C. Rich of Canaan has reported to the state fish and game department the arrest by George Scott and Charles Blou of Leon Swartz of Canaan on Oct. 23 for hunting without a license and having foxes and partridges. He was taken before Judge N. B. Young in Canaan and fined \$80 and costs of \$20. He paid costs and the fine was suspended.

Winooski's oldest resident, Miss Sophie Villeneuve, who would have become 94 years old Oct. 26, died the day before from injuries received when she fell in crossing her room at the home of Mrs. Fred Bolio. She had been ill for a month, but was able to sit up a little and it was while she was going from a chair to her bed that she fell. Her right arm was broken and her right shoulder dislocated.

Indian relics continue to be found in the vicinity of St. Johnsbury, a pestle having been dug out of the gravel bank below Brantview by William Brennan a few days ago. This undoubtedly went with the mortar which Mr. Brennan found in almost the same spot about two years ago. The pestle is a smooth stone just the size and shape of a ripe cucumber. On Aug. 29, 1860, Rev. Edward T. Fairbanks found below his garden a tomahawk. A collection of these articles is being kept at the Athenaeum. The relics once belonged to the Penacook tribe of Indians, which roamed the hills and valleys of that section about two centuries ago.

FAIR HAVEN MAN HURT.

Portion of Bowling Alley, Weighing 1,500 Pounds, Struck Him.

Fair Haven, Oct. 27.—Dewey Russell of this place was badly hurt earlier in the week when a portion of a bowling alley, weighing 1,500 pounds, which Russell and five other men were loading onto a motor truck, fell onto him. As the men were working, it has not been decided yet whether there are internal injuries. The force of the blow was broken by a scantling, which acted as a prop and kept the heavy alley from crushing the young man. The section which fell on Russell was a part of one of two alleys which were being loaded for transportation to their owner, Thomas Edmunds of Poulinville. While the men were struggling with the 35-foot section, Russell lost his hold or else the alleys slipped and crushed him to the ground.

Cured By a Native Herb.

On board a vessel bound for India recently a man was bitten by a poisonous reptile; both the ship doctor and a famous surgeon failed to control the poison fast spreading through his system.

In a day the vessel reached port. An Indian medicine man was sent for, who produced a native herb which quickly allayed the poison and the man's life was saved.

Roots and herbs are nature's assistants in combating disease. That is why known medicine for ailments peculiar to women, Lydia E. Pinkham's Vegetable Compound, is prepared from roots and herbs, possessing medicinal properties of great value in the treatment of such ailments.

This is proved by the letters of recommendation we are continually publishing in this paper for it—adv.

"CASCARETS" FOR BOWELS

When Sick, Bilious, Headachy, Constipated, for Sour Stomach, Gases, Bad Breath, Colds

Your bowels may seem regular—move every day—yet your thirty feet of bowels may be lined with poisonous waste which is being sucked into your blood, keeping you half-sick, nervous, dependent and upset. Whether you have headache, colds, sour stomach, indigestion, or heart palpitation, it is usually from bowel poison.

Hurry! One or two Cascarets to-night will clean your bowels right.

By morning all the constipation poison and sour bile will move out—thoroughly! Cascarets will not sicken you—physic fully, but never gripe or inconvenience.

Children love Cascarets too. 10 cent boxes, also 25 and 50 cent sizes. Any drug store—adv.

"LISTEN TO ME" ONE OF THE BEST MUSICAL SHOWS HERE IN SOME TIME

"Listen to Me" played to large audiences yesterday afternoon and evening in the Empire theatre and persons who witnessed it adjudged it one of the best musical comedies seen in Glens Falls in some time. "Listen to Me" is a fantastic tale, cleverly presented by a capable company and well staged in every respect. Pretty girls, real comedians, splendid scenery, most costumes, good singers and clever dancers make the production a sure fire hit. The show abounds in musical numbers and dances, in fact the program consists of an unusual number of catchy songs rendered by principals and choruses who can sing. Glens Falls theatre-goers would welcome an opportunity to listen to "Listen to Me" again. From the Glens Falls (N. Y.) Post-Star, Wednesday, Oct. 25.

"Thoughtful Mothers! Are You One of Them?"

All mothers—bless them—are loving and devoted. How often we are led to respect and admire the "thoughtful mother" who provides for emergencies and saves her loved ones from hours of suffering and herself from needless anxiety and sleepless vigil.

The reason for colds, coughs, pneumonia, influenza and other ailments is drawing near when the "thoughtful mother" makes up a full pint of pure, quickly effective cold and cough syrup made at home by using pure concentrated Essence Mentha-Laxone (No. 1) mixed with simple sugar syrup or strained honey. A pint of sugar and a half pint of water makes the syrup in three minutes. The essence and the syrup are then poured into a pint bottle and is ready to use to prevent bad colds and coughs getting worse. The very best cough syrup made at home by using pure concentrated Essence Mentha-Laxone (No. 1) mixed with simple sugar syrup or strained honey.
